Dear Parents:

We are happy to announce that St. Mary's School will be hosting weekly summer camps during the month of June! For the most part, the camps will run from 8:30am-12:00pm, Monday-Friday. The cooking camp size will need to be a smaller group of students so if the need arises we will offer a second cooking camp in the afternoon from 1:00pm-4:30pm. Extended care will be provided from 12:00pm-5:15pm for \$5 per hour. Students that plan on staying at extended care will need to bring a lunch.

We are offering the camps to St. Mary's students first and then to the public. Attached are fliers for each camp and the grade levels that are permitted to attend.

In order to reserve a space for your child, a non-refundable deposit of \$50.00 is due for each camp by Feb. 28, 2017. Installment payments of \$50 per month are due on the 15th of each month through May. The final payment of \$50 is due on the first day of camp. Please note that if we do not have enough interest in each camp by April 15th, we will cancel the camp and refund payments.

Scholarships are available on a limited basis. If you wish to apply for a scholarship please complete the attached form and return to the school office on or before Feb. 28, 2017.

Sincerely in Christ,

Nicole A. Folio, M. Ed.

St. Mary's School Presents...

MUSIC THEATER CAMP

Open to all students in grades 3 – 8

June 5th – 16th

8:30 AM to 12:00 PM Noon

Extended Care Available

Spend two exciting weeks, dancing, singing, & bringing fun characters to life. Sharpen your skills and learn some new ones! The morning begins with ice breakers and theater games to build acting skills, self-esteem and learn about our new friends. They will learn blocking, sound and music queues, dance technique and combinations to name a few. Last but not least, campers will rehearse for the Music Theater Showcase.

Cost of the Camp is \$500 per performer for 2 weeks.

Calling all incoming 3rd-9th Graders! Come and spend the week learning to design and create your own custom product using design software. You will then bring it to life in a variety of materials using 3D printers, vinyl cutters, a heat press, and other tools. At the end of the week, you will have a solid understanding of how to go from idea to design to creation. You will show off your designs at the conclusion of camp. Let your imagination and creativity come to life!
