May 22th, 2024

To: Incoming Fifth-Grade Parents
From: Mrs. Morris

Happy Summer! I am looking forward to a wonderful 2024-2025 school year. The following is a list of supplies your child will need for our classroom. Please have your child practice multiplication facts over summer. Fifth Grade Math Curriculum incorporates multi-step equations. If your child is not quick on their multiplication facts it will cause frustration mastering the standards. Also, I have given your child a copy of, *From The Mixed-Up Files Of Mrs. Basil E. Frankweiler*. Please have your child read the novel and return once we meet back at school in August.

Please don't hesitate to contact me with any questions. You can reach me by email at armorris@stmaryswv.org or telephone at 304-629-9018. I pray you all have a restful, peaceful summer! I can't wait to see everyone in August!

Love and Blessings,

Mrs. Morris

The mission of St. Mary's Central School is to nurture the spirit, challenge the mind, and strengthen the heart of each student who enters her doors. Through the lens of the teachings of the Roman Catholic Church, St. Mary's cultivates a Christ-centered environment in which we nurture our children, families, and community so that we might see the face of Christ in each other.
