SAINTS FOR FACTS

by John Sheppard

St. Mark is the author of the second Gospel and he and his mother were highly thought of in the early church. St. Mark accompanied St. Peter and St. Barnabas on their journey to Cyprus and later was in Rome with St. Paul and St. Peter.

Tradition tells us that St. Mark was requested by the Romans to set down the teachings of St. Peter, which is the record of the life of Jesus seen thru Peter's eyes. He is also the patron of notaries.
