

4th Grade Newsletter

May 2-6

It's hard to believe that May is here already. We have a lot going on from now until the end of the year.

We will have our NWEA Map Testing this week. Dates have been changed slightly. We will be testing on Monday, Thursday, and Friday. Mr. Sammy will be filling in for me on Tuesday and Wednesday so I can be at the Regional Tennis Tournament to watch my daughter. Since we will be testing, there will be no Reading story for the week and no Friday tests. We will be working on writing activities and continued work with fractions in Math.

Please remember to send in your money and permission forms for Shrek.

Remember to charge iPads nightly. We will use them for our testing.

Also, please send a water bottle to school with your child. They are always thirsty after recess:)
