rage, experience, ancient, predict, registered

Announcements and Things to Remember

Christmas Around the World...

We are excited to be bringing a Christmas Around the World program to St. Mary's this year. Our fourth grade class will be featuring Iceland on Tuesday, December 15th. During our program the students will be participating in a used book exchange. Please send a wrapped, used book (appropriate for a fourth grade reading level) into school with your child by Friday, December 3rd. Do not include any names on the package but do place a tag indicating if the book is most appropriate for a 'boy' or 'girl' on the outside. If the book is gender neutral, place a tag that coincides with your child.

We will have the class Spelling Bee this week. The winners will be able to compete in the school Spelling Bee.

Science Fair will take place on Monday, November 8. The set up will be on Sunday evening from 6pm-7pm.

Please charge your iPad every night and bring it to school daily.

Breakfast/Lunch Forms will be sent home on Thursdays. They will need to be filled out and sent back on Friday, for the following week.

Please send a **water bottle** or two to school with your child. They are always thirsty after recess and our water fountains are not in use due to COVID.

Also, please send a fleece or uniform sweater with your child. The mornings are starting to get cool.
