

Parent Memo  
From Ms. Lorie  
St. Mary's Grade School

Friday, January 5, 2024

*Dear St. Mary's Families:*

*We hope everyone had a relaxing break filled with much joy and love.*

*As we enter the second half of the school year, we begin to watch for snow storms and impending weather. Today, your child's teacher will be sending home a Snow Day Packet. This packet of school work will be used in the event that school is closed due to weather. We will announce the day as a Snow Day/Tech Day with assignments. The assignments need to be completed and returned to school on the day we return. The upper classes may opt to provide Google Classroom lessons for students that will be posted online. Please make sure your child knows how to access their assignments in the event of Snow Day/Tech Day.*
