

General News and Reminders:

Winter uniform wear begins Monday, Nov 2 - no tennis shoes and no shorts.

Nov 3, Tuesday, students are not in school but it is a Tech day.

All Saints Day assignment - due Tuesday, Nov 10: Select a saint and read about the saint and decorate the doll to represent your saint.

Please review sight words nightly. Have your child read the words and spell and write the words. We are increasing the number of words we are learning and beginning to do more journaling and writing. If your child falls behind in learning the sight words, he/she will quickly become overwhelmed. It is best to take 5-10 minutes a night and do a quick review.
