

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

March 25 - 29, 2024

Three days at school this week, one Tech Day at home,
then Easter Break, 6th Grade!!!! Whoooooo Hooooooo!!

Good luck to Maria as she competes in the Regional Math Field Day on Saturday. I am sure she will represent Saint Mary's School very well!

There is an Easter Egg hunt on Sunday, March 24 (see details in our calendar below). *What will you do before solving any math problem during the next few lessons on decimals? Write the answer on scrap paper and put a "thought bubble" around that answer before placing your scrap paper into the assignment tray.*

Our Easter Party will be Wednesday afternoon. After our party, you will go home to enjoy more than a week off!

Please be sure to complete your tech day assignment. I hope you all continue working on the National Sumdog Contest. The National Sumdog Contest continues until 8:00 pm this coming Thursday. Completing 200 problems in the contest is your Tech Day assignment, and some of you have already done more than that! Way to go! Again, I am only requiring 200 problems (for your Tech Day work) but finishing the contest will earn you double extra credit. Once for the Tech Day assignment, and again on your March Mathness worksheet!!

Remember, there is a separate Sumdog assignment. This is not part of the Contest. I think it appears as a "challenge" (I have been calling it Set Work.)

You need to solve 60 Set Work problems correctly before the end of the month to earn an initial in that box on your March Mathness worksheet.

Let's have a great, short week together, 6th Grade! Maybe we'll have time for an Easter Game or two!

♥♥ *Love you like a Grandma, Mrs. Yazvac* ♥♥

Upcoming Events: *new additions to this list are highlighted.*

Sunday, March 24: HandS Easter Egg Hunt @ Compton Park 1:00-3:00pm

Wednesday, March 27: Easter Party for PK3-6 @ 1:30 pm
