

The Pre-K 4 Weekly

10/26/20 – 10/30/20

Important Dates

October 30th - Come dressed in your Halloween costume! If it is big and bulky, please send it separately and we will make sure your child is wearing their costume when we begin our party.

At Home

Reinforce what the children learned in school this week by doing things such as talking about Jesus' love for us and pointing out items in your home that start with the letter Cc.

Thank You

Thank you for your continued support as we navigate our way through this unusual year! Despite the challenges we're all facing, the children are learning a lot and having fun too!

This Week's Focus

Religion

Lesson: Jesus' love is for everyone

Word of the week: Saint

We will learn about and discuss Jesus' love and what a saint is through read aloud time and fun activities in our Seeds religion book.

Writing/Phonics

Letter of the Week: Cc

Learning to identify the letter, the sound it makes, how to write it, and looking at items that start with the letter Cc.

Math

Number focus this week: 11 and 12.

Counting items in groups of 11 and 12.

We will be tracing the numbers and learning to write them independently.

Science

Elephant toothpaste!

We will cause a foaming chemical reaction with yeast, hydrogen peroxide, and dish soap. The children will get to see this reaction as it comes out of a carved pumpkin.

Reading

Old King Cole

We will be reading this nursery rhyme and discussing kings and queens as well as vocabulary words merry, fiddlers, and soul.

Virtual Field Trip

We will be exploring The Grand Canyon this week and learning fun facts about it!

We will also be making a fun Halloween craft this week!
