

The Pre-K 4 Weekly

11/2/20 – 11/6/20

Important Dates

November 3rd - Election Day. There will be no school.

November 4th - School picture day

At Home

Reinforce what we learned in school this week by discussing voting. Maybe your child can go with you to the polls to see it in action! Look for items in your home that start with the letter Ii.

Thank You

Thank you for your continued support as we navigate our way through this unusual year! Despite the challenges we're all facing, the children are learning a lot and having fun too!

This Week's Focus

Religion

Lesson: We want to be ready for God all the time
Word of the week: Jesus
We will learn about and discuss being alert to our surroundings, acting with fairness and love, and learning more about Jesus through read aloud time and fun activities in our Seeds religion book.

Writing/Phonics

Letter of the Week: Ii
Learning to identify the letter, the sound it makes, how to write it, and looking at items that start with the letter Ii.
"Ii is for ice cream" letter craft

Math

Number focus this week: 13.
Counting items in groups of 13.
We will be tracing the number and learning to write it independently.

Science

Even though Halloween is behind us, pumpkin season is still in full swing! We will be learning about the life cycle of a pumpkin from start to finish.

Voting

The students will learn what voting is and how it works by watching "I Voted: Making a Choice Makes a Difference". We will hold a mock election and have the children vote on things such as donuts versus ice cream!
