

# The Pre-K 4 Weekly

11/9/20 - 11/13/20

## Important Dates

November 11<sup>th</sup> - Veterans Day. There will be no school.

November 12<sup>th</sup> - End of first quarter

## At Home

Have a fun back-and-forth rhyming session to help your child work on rhyming and how words sound. For example, you say "mouse house" and they follow your lead with two rhyming words (cat hat!) and then go back and forth. This is a great car game to help pass the time.

It's a really fun way for them to learn that just feels like a game!

## Thank You

Thank you for your continued support as we navigate our way through this unusual year! Despite the challenges we're all facing, the children are learning a lot and having fun too!

## This Week's Focus

### **Religion**

Lesson: God gives and sustains life

Word of the week: respect

We will learn about and discuss respecting others as well as the special talents God has given each of us through read aloud time and fun activities in our Seeds religion book.

### **Writing/Phonics**

Letter of the Week: Bb

Learning to identify the letter, the sound it makes, how to write it, and looking at items that start with the letter Bb.

### **Math**

Number focus this week: 14.

Counting items in groups of 14.

We will be tracing the number and learning to write it independently.

### **Nursery Rhymes**

Baa, Baa Black Sheep

We will be working on rhyming and identifying the main event and key details in the rhyme.

The children will learn vocabulary words lane and wool.

### **Thanksgiving**

We will be discussing Thanksgiving traditions and what we eat at a Thanksgiving meal.

We will also be doing a fun pumpkin pie craft!
