

The Pre-K 4 Weekly

11/30/20 - 12/04/20

Important Dates

Welcome back from Thanksgiving break! We are back to remote learning Monday, Tuesday, and Wednesday this week. We will have the same Zoom session information as last time. I will email invitations to everyone. Please reach out if you have any questions.

At Home

Look for things around your home that start with the letter Nn.

Discuss your own family Christmas traditions with your child.

Remote Learning

The students must be dressed in their uniform for our Zoom sessions. Please no food or drinks during this time. I will have assignments for them to do after our lessons just as if we were in the classroom but no homework in the evening.

This Week's Focus

Religion

Lesson: Someone powerful and good is coming
Word of the week: Mary
We will learn about and discuss how gift-giving can be a sign of love, how Jesus learned about God, and that Mary is Jesus' mother and our mother too through read aloud time and fun activities in our Seeds religion book.

Writing/Phonics

Letter of the Week: Nn
Learning to identify the letter, the sound it makes, how to write it, and looking at items that start with the letter Nn.

Math

Number focus this week: 16.
Counting items in groups of 16.
We will be tracing the number and learning to write it independently.

Nursery Rhymes and Fables

The Lion and the Mouse
We will be identifying the characteristics of a fable, and identifying main events and characters. The students will learn vocabulary words disturb, favor, gnawing, and grateful.

N is for National Parks

We are continuing our tour of national parks this week by taking a virtual reality field trip to Yosemite National Park!
The students will get to see it up close and learn fun facts!

Christmas

We will be discussing why and when we celebrate Christmas and watching videos on Jesus' birth and of family traditions.
The children will do a fun Christmas tree art project!
