A Message from Mrs. High Second Grade Teacher

Dear Student,

When your first day of second grade arrives and you enter your second grade classroom at Saint Mary's Grade School, I would like you to bring two things with you: a smile upon your face and a bookbag with only one item in it — a box of unscented tissues. All school supplies that you will need to have a successful school year will be provided to you. Your desk will have many textbooks and several folders in it. There will not be room for pencil boxes etc.

I look forward to having a great school year with you!

Read often and regularly during the summer break. Find books you will enjoy.

Sincerely,
Mrs. High
