

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

December 12 - 16, 2022

Seasons Greetings, 6th Graders!

We're getting closer and closer to Christmas, and it seems we will be getting busier and busier, too! The Notre Dame students will be presenting a series of lessons to our Saint Mary's students this week. You will be working with them on Monday and Wednesday afternoons.

Tuesday is a "Dress Down" (Dress in Red) day, and on Thursday we will have concert practice in the morning and attend a Penance service in the afternoon. I will make sure we practice for the penance service (reconciliation) in our classroom before we go.

If we have any "extra time" this week, maybe we can sneak down to the STREAM room and make something delicious! Or, maybe we can make something in our classroom!! Hmm. . . let me think about that.

Looking ahead at Math and Religion this week:

MATH: We will begin Chapter 2!! (That means we will be reviewing everything we learned in Chapter 1!) Chapter 2 is all about Fractions, Decimals, and Percents and how to change any of those into the other! Sounds like we need a magic wand!! That would make us "mathemagicians!" (Oh, those corny jokes never get old! I crack myself up!)

RELIGION: We will be adding more vocabulary words from that big list of Religion vocabulary words to our Quizlet sets and continue preparing for Christmas! *We will attend a Penance Service this week. What is another word for that? Email me your answer.*

No lesson with Mr. Sammy this week.

Love you like a Grandma, Mrs. Yazvac ♥

Upcoming Events: *New additions to this list are highlighted*

Monday, December 12 - afternoon Drug Awareness Lesson

Wednesday, December 14 - afternoon Drug Awareness Lesson

Thursday, December 15 - 9:30 a.m. Concert Practice, afternoon Penance Service
