

## MRS. YAZVAC'S 6TH GRADE NEWSLETTER

December 5 - 9, 2022

Christmas is coming, 6th Graders!

Wait until you see our room! I think some elves stopped by! We need to exchange names soon! We also have some Christmas activities to complete. They are listed on the board.

This will be a busy week. On Tuesday, Notre Dame students will be taking you over to the cafeteria for some fun activities. It is "Out after lunch schedule" so classes over there will be shorter.

On Wednesday, Kyanna and Kaelyn will be going to Math Field Day. Their bus will leave from Notre Dame at 8:30. Help me remember to send them over in time. The rest of you will go to the Santa shop at 9:30 with Mrs. Goldizen.

On Thursday, I will take you to the Santa shop at 1:30. If anyone has more shopping to do, they will be able to go anytime on Friday (earlier is probably better because they sell out of items).

Here is what Math and Religion look like this week:

**MATH:** We will be reviewing concepts from Chapter 1 and continuing with Ratio and Rate problems.

**RELIGION:** We will continue preparing for Christmas!

**Mr. Sammy - Advent and the Christmas season.**

*Love you like a Grandma, Mrs. Yazvac* ♥

**Upcoming Events:** *New additions to this list are highlighted*
