

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

I feel like this bitmoji is just a little disturbing . . . it was the only one I could use for Mardi Gras

February 20 - 24, 2023

Here we go!!! Fat Tuesday aka Mardi Gras aka Shrove Tuesday aka Pancake Tuesday, and Ash Wednesday begin the very special season of Lent! It's the beginning of all kinds of exciting celebrations and quiet reflection. There is so much to do and so much to learn!

We have two birthdays this week. Happy birthday Caroline and Grazia!

MATH - We will wrap up working with percents and decimals and move on to percents greater than 100% and less than 1%. You will earn at least 20 minutes of practice in Sumdog (I hope!)

RELIGION - You are presenting during Tuesday Morning prayer. I hope you are ready to teach the little ones about Ash Wednesday.

I will give you those very nice posters I told you about last week in this newsletter. You will color them and take them home for Lent.
