

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

February 27 - March 3, 2023

Greetings 6th Graders,

We should have a “regular schedule” this week, I hope! (Although, I did enjoy all of our little extra activities last week!) I don’t see anything on the calendar that might shorten a day. Thank you so much for your kindness and prayers during the past few weeks. My friend, my relatives, and I have needed them.

Congratulations to our Catholic Daughters of America Contest winners: Caroline, Grazia, and Emma! I enjoyed looking at and reading everyone’s work for this contest. Please remind me to return your papers!

Mr. Pritchard will be here on Tuesday. While he is here, you will be completing review worksheets. If you are extremely cooperative, he may even save some “recess” time for you, inside or out!

MATH - We will continue working with percents greater than 100% and less than 1%. This is just more of what you have been doing - taking percents and turning them into decimals and fractions! You are so good at this, already!

I will be sure to show you the videos I filmed for Sumdog on Monday. Do not judge!

RELIGION - You will be reading and discussing Lent and Holy week and learning about Jewish traditions in preparation for our *Seder meal*. (What in the world is that?)

There will be a homework video for you to watch with a question or two to answer. This is a Catholic Central video with Kai and Libby (I really like them!) Let me know what you think. I believe this will be homework for you on Tuesday evening.

♥♥ *Love you like a Grandma, Mrs. Yazvac* ♥♥
