

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

February 6 - 10, 2023

It's February, 6th Grade!

You may begin bringing your Valentine's Day boxes to school. Remember, if there is a snowday, I will post a Snowday assignment to Google Classroom as soon as I know schools are closed. Practice on Sumdog will always be included in your assignment for the day. Don't forget, you are earning extra credit when you complete skills in Sumdog. The best way to do that is to spend some time practicing math in Sumdog and asking for help whenever you are stuck!

I hope you are checking your Gmail and reading your Google Classroom Stream messages everyday. I might start posting a video homework assignment at the end of the day (if I find something that I think will help you learn!) Last week, I told you about the homework. This week, I want you to be checking your Gmail and reading those Stream messages, and keeping track of your "To Do" List in Google Classroom! That has always been what you were supposed to do as soon as you enter the classroom in the morning. Many of you check that in the auditorium before you come upstairs! I think you should begin checking those items at the end of your school day, as well!

Please continue to monitor our eagle nest over the weekend. It is interesting to check it at different times of the day and night. Send me a screenshot of anything exciting you might see! I hope everyone posted their "egg-stimations!"

Here is the plan for this week:

MATH - We will be working on Lesson 3 Percents and Decimals in Chapter 2.

RELIGION - We will begin reading and discussing Chapter 5 Slavery and Deliverance about Moses and the Exodus. We will also begin Vocabulary Set #3.

Love you like a Grandma, Mrs. Yazvac ❤️

Upcoming Events: *New additions to this list are highlighted*

Rescheduled Wednesday, February 8 - HandS meeting - This will now be on March 1 at 6:00 in the auditorium

Wednesday, February 8 - Sumdog Top 40 Pizza Party at lunchtime
