

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

January 16 - 20, 2023

“Life's most persistent and urgent question is, ‘What are you doing for others?’” ~ Reverend Dr. Martin Luther King, Jr.

Hello 6th Graders!

While you are enjoying your Monday off this week, think of something kind you can do for someone (and do it!) If you are finding it difficult to come up with a good idea, pray for someone. That is the kindest thing you can do!

It's "testing time" again!. Please be sure to get plenty of rest this weekend and get to bed early each night this week. Use all of those great math tools you have been practicing to choose the best answers. There are usually one or two answers you can "throw out the window" on a multiple choice exam!

You will not be required to earn any Sumdog minutes this week. Instead, you will be allowed to play Sumdog in class during your free time. This will help you get ready for the RESA VII Sumdog Contest that begins this Friday. You will begin the contest at school on Friday morning!

Report cards go home this Wednesday. We should be having our end of the 2nd 9 weeks raffle soon.

Be sure you are working on the three contests posted to the board:

- 1) Catholic Daughters - due January 23
- 2) Handwriting - due January 23

3) Young Writers Contest is due February 1

Love you like a Grandma, Mrs. Yazvac ♥
