

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

January 23 - 27, 2023

Well, 6th Grade, we made it through another week of testing. Yay! We shouldn't have to do that again until the end of the year. We went over your Math scores. I will go over your Reading and Language Arts results with you, if you ask. We compare your BOY (beginning of the year) test scores with this last MOY (middle of the year) test. Hopefully, your line graph is moving in the right direction!

The Sumdog contest continues this week. There are no required minutes again this week. The contest will be over at 8:00 p.m. on Thursday. The due date for the assignment is Thursday at 7:30 p.m. Remember, you need to take your time. This is an accuracy contest. They only use speed for ties! Play an "untimed" game like "Glider" to give yourself extra time to think.

Next week is Catholic Schools Week. Stay tuned for some fun activities!! Here is the plan for this week:

MATH - We will review Chapter 2, Lesson 2 on Percents and Fractions and move on to Lesson 3 on Percents and Decimals. You will continue to finish the RESA VII Sumdog Contest on your own time at home or any extra time at school. (No required minutes this week!)

RELIGION - We will review Chapter 4 Piety and Prayer and practice our Religion Vocabulary Set #2 in Quizlet

Love you like a Grandma, Mrs. Yazvac ♥
