

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

January 30 - February 3, 2023

Hello 6th Grade,

It's "Catholic Schools Week!" I hope we can still learn a few things in our spare time around all the fun activities that are planned for all of us!! All of the activities sound great. Let's be sure to continue to LEARN as we play!

Happy birthday to Josh next Saturday!

Don't forget to dress down in red, white, and blue on Monday! Don't forget to bring your rosary for the Live Rosary on Monday. If you forget, Mrs. Kirkpatrick and I have plenty!

Don't forget the plan for snowdays! I gave you a few papers, but I don't want you to use them (unless you absolutely cannot access the internet on a snowday!) I will post a Snowday assignment to Google Classroom as soon as I know schools are closed. You will read your stream message just like you do, first thing in the morning, every school day. (You do that, don't you? I hope you do!) Everything you need to know will be posted to Google classroom.

Here is the plan for this week:

MATH - We will continue working with Percents and Decimals. (You'll be working with them next year, and the next year, and the next year . . . it really never ends!) You will also have a Sumdog assignment - the one we usually have.

Earn 20 minutes of Sumdog practice, then send me a screenshot of your prize attached to the Google Math Classroom assignment.

RELIGION - We will study Religion Vocabulary Set #2 in Quizlet and have a quiz and begin reading Chapter 5 Slavery and Deliverance..

Love you like a Grandma, Mrs. Yazvac ♥

Upcoming Events: *New additions to this list are highlighted*

Sunday, January 29 - CELEBRATE OUR PARISHES - wear formal uniform to mass to open Catholic Schools Week
