

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

January 9 - 13, 2023

Hello 6th Grade!

Isn't it exciting to begin a new year? I feel like we will be getting back into our routines this week (after all of that cooking and teaching other classes we did last week! We sure did take advantage of the extra time we had together while the Notre Dame students took their exams!)

On Sunday at 6:00 p.m., you may bring and set up your Science Fair project in the gym. The Science Fair will be held on Monday.

Also on Monday, some Notre Dame students will be taking make-up exams, so you will be with me here at Saint Mary's again. We will be making hot chocolate. Some of you are bringing ingredients for our "hot chocolate bar." Thank you for that! All of you may bring a special mug. Just please be careful to wrap your mug up in a tea or hand towel and place it carefully into your backpack. We will rinse and dry our mugs and wrap them back up in our towels to bring home after we enjoy our hot chocolate treat!

Tuesday is the last day of this 9 weeks (and the end of the first semester!) I hope you have all earned your very best grades! We will be shuffling seats for the new grading period. Let's use the superteachertools website to move our seats! (Please remind me to do this!)

This is what we have planned for the next few days:

MATH: We continue working in Chapter 2. We will review Lesson 1 "Decimals and Fractions" and move on to Lesson 2 "Percents and Fractions." You already know a lot about this!

RELIGION: You will be taking a Religion Vocabulary test on your 1st set of vocabulary words soon (probably at the end of the week). Those words are in your Quizlet set and posted to your Religion Classwork. Everyone should have a Quizlet set of 13 words to study. Please show me your Quizlet set for a late grade on Monday if you did not have a working Quizlet set on Friday. You were given a paper copy of the words and definitions. I also posted a copy to your Religion classwork. Please study these Religion terms so you can easily ace this test!

Love you like a Grandma, Mrs. Yazvac ❤️

Upcoming Events: *New additions to this list are highlighted*

Monday, January 9 - Science Fair

Tuesday, January 10 - End of 1st Semester

Monday, January 16 - Martin Luther King Day, No School
