

## *MRS. YAZVAC'S 6TH GRADE NEWSLETTER*

**March 13 - 17, 2023**

*Hello 6th Graders,*

You are in for another busy week! I hope you are not too tired from “springing forward” this past weekend!

We have our Penance Service on Wednesday, so there is no mass on Friday. Wednesday is also the end of this 9 week grading period. That means, only one more grading period to go!! Oh no! Let me look at this calendar. I’m counting 8 weeks until your graduation on May 15. But, that is only 7 weeks of school because of Easter Break!!! Tell me it isn’t so!!!!

**MATH** - We will continue identifying math concepts in our Volume 2 text that we have already learned!! We will also look at Volume #1 to be sure there isn’t anything important in there that we missed. You will be taking your Sumdog diagnostic this week. That should level you up to the problems you can solve and get you out of “revising.”

Mr. Sammy will be here with you on Thursday and Mr. Pritchard will be here on Friday. I will talk to you during the week about what to expect on those days.

**RELIGION** - You will be taking your Set #4 Vocabulary Quiz on Friday with Mr. Pritchard. Please be sure you are studying those words.

I would like you to create a couple of Quizlet sets for the Cardinal (moral) Virtues and the Gifts of the Holy Spirit. You will have time to work on that in your spare time this week. Eventually, we will make a set for the Beatitudes, too.

What is a matzoh ball? Or, is it a Matzo ball? Or, is it Matzah? Is it all balls or is it crackers? And why am I asking all of these questions? There is no Reading class on Monday so we might be cooking some soup. Wonder what kind of soup and why? So many questions, such a mystery, . . . I'm hungry. . .

♥♥ *Love you like a Grandma, Mrs. Yazvac* ♥♥
