

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

March 6 - 10, 2023

Hello 6th Graders,

Your AR points are ***DUE THIS FRIDAY!!!*** Please be sure to read and take your AR tests so you earn maximum points in Reading class!

Josh and Nolan will be working on the Notre Dame play this week. Have fun with that, gentlemen! I have a schedule to let me know when you will be away. It looks like you are gone Tuesday through Friday this week! Please keep track of daily stream messages and your Gmail so you can make up any work you miss. Remember to be mature and conscientious workers who take care of that very expensive sound and lighting equipment! I'm so excited that we all get to see this show on Friday!! Thank you to everyone for getting those signed permissions slips to me right away!

On Tuesday, we will spend some quiet time at church for Eucharistic Adoration. I always enjoy this special time of peace and quiet reflection with our Lord.

Don't forget to set your clock up one hour this Sunday evening! That springing up in the spring makes me soooooo tired!! (Instead of getting to school a little after 7, you'll be arriving a little after 6!!! Please don't judge an old lady for yawning!)

MATH - We will be using what we know about decimals, fractions, and percents to begin comparing and ordering them! We will be working in Chapter 2 on Lesson 5 and doing some Test Practice whenever we can.

RELIGION - You will be reading about and discussing Reconciliation.
(Remember, we will be attending a Penance service on the 15th!) We will also do what we can to help you prepare for the ARK test on March 23 and 24!

Have a great weekend!!

♥♥♥ *Love you like a Grandma, Mrs. Yazvac* ♥♥♥
