

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of November 14 - 18, 2022

Hello, 6th Graders!

I think I can see Thanksgiving Break from here!! We just have to make it through this week to get there!! Wednesday is a “pay to dress down” day - we are collecting donations for the Hearts and Hands for Christ Medical Mission Trip. (That is a very, very good cause!!) You can bring your donations anytime Monday, Tuesday, or Wednesday.

We will end the week with a Thanksgiving Mass at 1:00 this Friday. Your family is welcome to join us.

Here is the plan for Math and Religion this week:

MATH: We will continue working in Lesson 6 on Equivalent Ratios and practice your upcoming coordinate plane Sumdog Challenge. I know you will be ready for that Tech Day assignment when it posts.

You will complete 20 minutes of Sumdog practice before midnight this Friday (and another 20 minutes next week!!) You get another treasure chest to fill up with coins every week. Please remind me to ask what your reward is each week. I feel like it was a milkshake the first week . . .

RELIGION: We will be ready for a Chapter 3 (Open Book Quiz) on Friday. You will have a sub that day so be on your very best behavior!

Love you like a Grandma, Mrs. Yazvac 

Upcoming Events: *New additions to this list are highlighted*

Friday, November 18 - Thanksgiving Day Mass at 1:00

Monday, November 21 - Tech Day Sumdog Challenge

What is missing from this newsletter? Email me before Monday morning to let me know.

Tuesday, November 22 - Tech Day Nearpod “Integers” *if we can get videos to play on our ipads. If not, I will delete the Nearpod assignment and post something else.*

Wednesday, November 23 - Tech Day Worksheets “Ratios/Rates”

Thursday and Friday, November 24 and 25 - No School “Happy Thanksgiving!”
