

MRS. YAZVAC'S 6TH GRADE NEWSLETTER
Week of November 28 - December 2, 2022

Hope you had a great Thanksgiving Break, 6th Graders!

It's time to go back to school! We'll pick up right where we left off. Please place your completed Tech Day worksheets into the assignment tray as soon as you get to the classroom.

Some of us are getting ready for Math Field Day. We can all help them prepare. Let's do some "mental math!"

Remind me to go over the December calendar with you. Ms. Lorie has been adding some new events that we need to talk about. You might want to ask your parents about those parent emails that go home every week to be sure everyone has all of the important information. There is a very interesting addition to our calendar below - we will have to prepare TODAY!!!

Here is what the week ahead looks like:

MATH: Ratio and Rate Problems (you already know so much about solving these!) *Dice game!*

RELIGION: We will be talking about Advent and decorating our classroom.

Mr. Sammy - Probably Advent!!

Love you like a Grandma, Mrs. Yazvac
