

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of November 7 - 11, 2022

Hey there, 6th Graders!

I hope you turned your clock back one hour on Sunday, November 6 so you come to school on time on Monday! I don't want you to be late to meet our visiting author, Diana Pisher Walker. Remember, you can purchase one or more of her books at school. I'll bet she will be signing books!

Please remind me to give you your Tech Day worksheets at the end of the day on Monday! Because, on Tuesday, you have a "Tech Day." You will take your math assignment home on Monday and bring it back with you, COMPLETED on Wednesday. This will be a review of ratio tables. We have been working on those.

Wednesday is Bring a Friend to School day, but you can only do that if forms have been completed and the office has those forms. Anyone bringing a friend has probably already taken care of the necessary paperwork.

On Friday, Veterans Day, you have the day off without Tech work. Hooray!!

Here is the plan for Math and Religion this week:

MATH: We will continue working with Ratio Tables and Equivalent Ratios.

RELIGION: We will continue Chapter 3 Covenant and Commitment so you will be ready to complete the Chapter 3 Review.

MR SAMMY says you will continue to watch the videos about God's Wonderful Work of Salvation. The Dominican Sisters of Mary Mother of the Eucharist from Michigan are the presenters.

Love you like a Grandma, Mrs. Yazvac
