

## **MRS. YAZVAC'S 6TH GRADE NEWSLETTER**

**Week of October 10 - 14, 2022**

***It's that time of year!!***

Whoooooooooooo, Sixth Graders!

This week starts with a “Tech Day” on Monday, October 10. I posted your Math and Reading work on Friday evening so you could begin early. Remember, your Reading assignment can be found in your Google Classroom Homeroom Classwork. Get started early and enjoy your long weekend! After you finish the Sumdog Challenge on the Sumdog site, go back to your Google Math Classwork to mark that assignment “Done.” The same two steps need to be followed with your Reading assignment. (Remember, it is in your Homeroom Classwork.) Take the Google quiz, submit it, then go back to your Homeroom Classwork to mark that assignment “Done.”

Here is the plan for this week:

**MATH:** We should be ready for a Unit Rates Quiz! We move on to Chapter 1 Lesson 4 Ratio Tables (which will be using what you already know to solve problems presented in rows and columns. You can do this!!)

**RELIGION:** We will be continuing in our textbook reading about God's covenant with Noah and how God is always faithful to his promises.

**MR SAMMY WILL BE TEACHING:** *The Rosary and Eucharistic Adoration.*

***Love you like a Grandma, Mrs. Yazvac*** 

**Upcoming Events:** ***New additions to this list are highlighted***

Monday, October 10 - Tech Day (I'm hoping to visit Abby!)

Tuesday, October 11 - 4H Field Trip Permission forms due
