

## **MRS. YAZVAC'S 6TH GRADE NEWSLETTER**

**Week of October 17 - 21, 2022**

***BOO!!***

So glad you are reading the newsletter, Sixth Graders! This will help you remember things like wearing tennis shoes and your uniform with a fleece and bringing a sack lunch on Monday when we go to the 4-H Center! You will also be reminded about those 15 AR points that are due this coming Friday, October 21!

If you are going to make a tee shirt this Friday, your \$10 is due on Monday along with your completed permission form.

***\*\*\* Your 15 AR points are due this Friday!!***

Friday is the last day I am taking grades for this 1st 9 weeks grading period, so be sure you have all of your work turned in! Check your Gmail and To Do List (especially that Missing Work tab) in Google Classroom. (Ooh, the end of the grading period means we will have a raffle soon!)

Here is the plan for Math and Religion:

**MATH:** We are moving right along in our math book! Wheeeee!

Let's continue learning about Ratios and Rates and finding missing values on Ratio Tables! Hmmm, what is a ratio table? Does it involve food?

**RELIGION: We completed page 39 in groups on Friday. Anyone who was absent will need to complete that. When we have all finished, we can discuss our choices. Let's continue reading from there.**

**MR SAMMY WILL BE TEACHING: the Theological Virtue of Charity/Love, and the Gifts of the Holy Spirit Understanding and Knowledge.**

***Love you like a Grandma, Mrs. Yazvac***
