

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of October 3 - 7, 2022

Hope you are reading for AR Points!!

Greetings, Sixth Graders!

I hope you have all recovered from the exciting Homecoming festivities last week! We should be returning to our usual routine this week!

Happy Birthday, Nolan!! We'll have to remember to celebrate your birthday on Thursday since we go to mass on Friday.

You have a "Tech Day" on Monday, October 10. Please pay close attention to your Gmail notifications and your To Do list. Work will be popping up in your Google Classroom Classwork beginning on Monday. Some of that work will help you do well on your upcoming Tech Day assignment. I will post your Tech Day work on Friday evening so you can begin early if you wish. That way, you might end up with something that feels more like a 3-day weekend! Remember, your Reading assignment will post to your Google Classroom Homeroom.

Here is the plan for this week:

If you have a Quizlet account, you will begin creating Religion and Math Vocabulary sets. Please ask your parent to help you. Quizlet requires a parent email. Please use the FREE app!

MATH: We will continue working with Unit Rates and reviewing finding GCF and LCM using factor trees.

RELIGION: We will wrap up some of our earlier "discussions" with a review crossword puzzle and continue in our books with Chapter 3 Covenant and Commitment. There will be an open book Google Forms Quiz on Chapter 1, Part 2.

MR SAMMY WILL BE TEACHING: *The Theological Virtues Hope and Love.*

Love you like a Grandma, Mrs. Yazvac 

Upcoming Events: ***New additions to this list are highlighted***

Friday, October 7 - some Tech Day assignments will be posted

Monday, October 10 - Tech Day (I'm hoping to visit Abby!)
