

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of April 25 - 29, 2022

Hope you had a great holiday!

Welcome back, Sixth Graders! This is only a 5 day week! I hope you are ready to learn!! We have so much to do!!! Let's watch a video to help us get ready for Wednesday's Seder meal. Mrs. Morris and Mr. Sammy will be joining us!

MATH: We'll be multiplying fractions and using geometry formulas to find the area of quadrilaterals and triangles. If any of those side lengths involve fractions, we'll be ready!

Every evening this week, you will have a short video to watch and answer a question or two. This will not take long, but will be worth points (easy points!) I'm thinking you might need to do something "***before you multiply!!***"

My rapper cousin hasn't shown up yet . . . hmmm . . . when you least expect it . . .

READING/ENGLISH/SPELLING: We will be learning more about Moses, the Exodus, and the Seder meal we will be sharing on Wednesday! Yes, Wednesday! Remember, these are Jewish traditions dating back to Jesus's time. You will see how we continue many of these traditions and symbols at Mass.

We will also be reading "Holes" as much as we are able, whether we have perfect attendance or not. We want to be ready for our May 13 movie in the auditorium!

We will be looking at types of poetry. You will be writing a Bio Poem and reviewing Acrostic Poems. You will also be summarizing an article from the new TFK Magazine. Whew! That is a lot!!

Oh, but there is more! Remember that presentation we are all going to put together for your GRADUATION!!!??? Yes, your GRADUATION! I don't really want to think about it, but I suppose we all have to . . .

Religion: Seder Meal on Wednesday with Ms. Rosie and Mr. Sammy!

Love you like a Grandma, Mrs. Yazvac
