

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of April 4 - 8, 2022

There are only 6 more weeks of school. . .

Sixth Graders! This is a week full of special “Easter” activities!

On Monday, you will be taking Spring Pictures in your favorite dress down attire.

On Tuesday, we will have a vision screening compliments of the Lions Club (. . . the better to see the beautiful spring flowers, my dears!)

On Wednesday, Notre Dame students will be sharing a Lenten Craft with you in the cafeteria at 1:00.

On Thursday, there will be a WV Dance Company performance in the afternoon (price \$2).

On Friday, the Notre Dame students will be back again, leading Easter Egg hunts with your class at 1:10.

MATH: Bring your Volume 2 book to class. We will be finding the area of several different polygons. “I loves me some Geometry!!”

READING/ENGLISH/SPELLING: *Did I ever mention I really, really, really, love the book “Holes!?”* We will continue reading Holes. We are on Chapter 32. For extra credit in math class, figure out what percent of the book we have finished so far. Do this on paper. Show me your work. Explain your answer. (*There are 50 total chapters. This is particularly helpful! Tell me why!) Turn this paper in to the blue tray with your name on it. Do not say anything to anyone about this! Say nothing!!

Religion: Laetare Sunday **with Ms. Rosie!**

Love you like a Grandma, Mrs. Yazvac

Upcoming Events: *new items highlighted in yellow!*
