

## *MRS. YAZVAC'S 6TH GRADE NEWSLETTER*

*Week of August 29 - September 2, 2022*

*The BEST class at SMS!*

Hello Sixth Graders!

This is our first weekly newsletter for the 2022 - 2023 school year. Last week was a busy, “five full days of school” week! Are you tired?!

We had many classroom routines to learn. You are all doing a great job of making our classroom transitions run smoothly. I appreciate that!

Be sure to look gorgeous on Monday - Picture Day!

I hope you will receive your ipads soon. When you do, please remember to read your Stream messages and check your “To Do” list in Google classroom and check your Gmail daily. You will always want to read everything I post to the board as you enter the room each morning, with or without ipads.

Be sure to mark any important dates in your agenda. Many of those dates will be found at the bottom of every newsletter.

Remember, we will be testing on Monday, Tuesday, and Wednesday this week. Do not stress about this. Show me what you know so we will know what we need to work on this year.

I am pleased with the maturity of this group and know you will all grow to be even more responsible young ladies and gentlemen as the weeks pass.

Here is what I hope to cover in the next few days (around our testing schedule).

**MATH:** We’ll be moving along in our math book, reviewing a few 5th grade skills and learning some new 6th grade skills. We will continue working with

Rates, Multiples, and Factors. Please, always have those multiplication charts on your desk as we are working. It will save us time.

**RELIGION: Chapter 1 Blest Are We “Revelation and Response”**

**MR SAMMY WILL BE TEACHING:** Disciple of Christ Education in Virtue.

The Good News (The Gospel), and Created by Love, Called to Love

*Love you like a Grandma, Mrs. Yazvac* 

**Upcoming Events:**

Monday, August 29 - MAP Test, *Picture Day*

Tuesday, August 30 - MAP Test

Wednesday, August 31 - MAP Test

Thursday, September 1 - Mass with the Bishop at 1:00 (formal uniforms)

*Write “I read the newsletter” on a sheet of scrap paper and place the paper into the blue tray for a treat.*

Friday, September 2 - Early Dismissal

Monday, September 5 - No School Labor Day
