

Mrs. Yazvac's 6TH GRADE NEWSLETTER

Week of December 14 - 18, 2020

REMOTE LEARNING

Hello Sixth Graders!

I waited until Saturday evening to see what was happening next week before writing this Newsletter. It looks like we will be remote again (our county is **ORANGE**). I'm happy if you are reading this BEFORE I remind you on Monday morning.

When we are remote, you will log into my Google meeting by 8:55. I will try to be there by 8:45. Prayer will begin at 9:00. I'll film from the front hallway again since that seems to make it easier for you to see and hear. You will watch and listen to prayer with me in our meeting. Remember, attendance in morning prayer counts as a Religion grade.

Please be sure you are checking emails, reading the streams in all of your Google Classrooms, and checking your "To Do" list daily. Some of you have missing assignments. I sent email reminders, but you should already know about these because you can see them on your "To Do" list.

When we are remote, we focus on Reading on Monday, Math on Tuesday, Religion on Wednesday and Social Studies on Thursday. I will assign something for you to do between your morning and afternoon sessions everyday.

Friday will be a review with a guest appearance from one of your "Specials" teachers. (Just the way Miss Vanessa surprised us last Friday.)

******** Remember to play Sumdog at least 30 minutes per week (between Monday morning and 9 pm on Friday) to earn a weekly 5 point automatic A. Those points add up! This is NOT extra credit. It will be a grade every week.***

You should improve on those multiplication tables by doing this required practice (and really rock on the next Sumdog contest!)

In **Math** this week, we will continue working on Equivalent Ratios and Rate Problems. This week, however, we will work in groups. In **English/Language Arts** we will complete and share our “Favorite Relative” essays. We will also be reading and discussing the December 18 issue of Time for Kids. In **Social Studies** we finish Chapter 23 Lesson 3. We will be working in groups to review for a quiz on World War 1. In **Religion**, we will read and discuss Chapter 3 Covenant and Commitment.

*** Please remember to read for AR everyday! Don't wait until the last minute to earn those 15 AR points for your next report card.

Love you like a Grandma, Mrs. Yazvac
