

Mrs. Yazvac's 6TH GRADE NEWSLETTER

Week of December 7 - 11, 2020

Hello Sixth Graders!

Are you reading this BEFORE I remind you on Monday morning? I hope so! Please be sure you are checking emails and reading the streams in all of your Google Classrooms, and checking your “To Do” list daily. I am still planning to have that “**Pizza Party**” to celebrate your Sumdog RESA VII Contest *first place* win. We can do that on the first day we return to school! Remind me to call and order that pizza!!! You should all have been rewarded with 5,000 Sumdog coins! Have they shown up in your Sumdog account yet?

I am posting this on Friday afternoon, as I always do. We won't know until Saturday evening if we are learning remotely next week. If we are remote, you will log into my Google meeting by 8:55. Prayer will begin at 9:00. You will watch and listen to prayer with me in our meeting. Attendance in morning prayer counts as a Religion grade.

If we are remote, we will focus on Reading on Monday, Math on Tuesday, Religion on Wednesday and Social Studies on Thursday. You can find your Remote Learning Schedule and Friday “Specials” Schedule in Homeroom Classwork.

I will assign something for you to do during your morning and afternoon sessions everyday.

****** Remember to play Sumdog at least 30 minutes per week (between Monday morning and 8 pm on Friday) to earn a weekly 5 point automatic A. Those points add up! This is NOT extra credit. It will be a grade every week. You should improve on those multiplication tables by doing this required practice (and really rock on the next Sumdog contest!)*

In **Math** this week, we will continue working on Equivalent Ratios and Rate Problems in Chapter 1 Lessons 6 and 7. In **Reading** we will be working with the December 11 issue of Time for Kids. In **Social Studies** we will have a vocabulary quiz on all highlighted words from Chapter 23 Lessons 1, 2, and 3. You should have these in Quizlet and on your Google Doc. We will continue reading about World War I. In **Religion**, we will have a quiz (or two) to review Chapter 2 and move on to Chapter 3 Covenant and Commitment on page 51. In **Spelling**, we will have that Set #5 test on our first day back in class together. If we are remote, we will continue with our Spelling workbook activities (like the prefix lessons from last week).

Important date to remember:

Sunday, December 13 Geminids Meteor Shower!!

Try to watch for an hour early in the evening - maybe starting right when it gets dark!!

*** Please remember to read for AR everyday! Don't wait until the last minute to earn those 15 AR points for your next report card.

Love you like a Grandma, Mrs. Yazvac
