

## ***Mrs. Yazvac's 6TH GRADE NEWSLETTER***

***Week of March 15 - 19 , 2021***

***TOP O' THE MORNIN' TO YA LADS AND LASSIES!***

***Mrs. O'Yazvac here!***

***DID YOU SPRING UP????***

***I hope you did, or else you'll all be late for school on Monday!***

***You must have the "luck of the Irish" because this is "Spring Fling Week!"***

Here is what we will be doing in the week ahead. We will be celebrating two, I repeat TWO, March holidays this week on top of all of these Spring Fling Shenanigans!

**Monday** - Movie Monday in the afternoon.

**Tuesday** - Tennis Shoe Tuesday - fun times in PE at noon.

**Wednesday** - Wacky Wednesday - wear a green shirt and socks with your uniform bottoms - NO PINCHING!

**Thursday** - Trail Mix Thursday - a treat, a treat, a treat!!! I know you love those!

**Friday** - Formal Friday - Mass and another "treat!" You guys sure do get a bunch of treats!!!

Meanwhile, back at the ranch, we will be working on the following:

**Math:** The Resa VII Sumdog contest continues! Do your best on your 1,000 math problems. We continue working quickly on operations with decimals and fractions, one lesson per day!!! We will also continue our daily "oooooooooooooooo" problems!! Don't you just love them? Here is something to

ponder:  $A = \pi r^2$  Pi r squared? Pies are squared? Pies are square? Is it so?? And why now? Could this be "delicious?" A treat, a treat, a TREAT!!!!

This is beginning to sound like the rantings of a madman!! (That was for you, Jonah!)

**English/Language Arts:** There will be a Spelling Test on Set #10 words on Monday. We will continue to read “Holes” and your TFK magazine. We’ll add to Spelling Set #11 and probably edit some sentences, too.

**Social Studies:** We will continue learning about World War II, watching CNN10, and discussing current events.

**Religion:** We will continue practicing your Stations of the Cross presentation, and reading about Lent, Palm Sunday, and Easter. I really enjoyed sharing our Seder meal on Friday! I hope all of you enjoyed the experience.

**SCIENCE - Slides project due Tuesday, March 16. We will also complete a Saint Patrick’s Day Science Day lesson.**

\*\*\*\*\* Please be sure to bring enough water to school. The days are getting warmer and we will be outside more. You may bring two water bottles or a large bottle, whichever gets you through your day!!

***Important Dates:***

Sunday, March 14 Hmmmmm . . . ? 3/14, hmmmmm . . . ? Is that ringing a bell?
