

MRS. YAZVAC'S 6TH GRADE NEWSLETTER
Week of March 21 - 25, 2022

Well, Sixth Graders, this school year is quickly passing! It will be Easter Break before you know it and the end of the school year right after that!! Report cards come out on Tuesday. I hope this is your best one ever. If it isn't, let's work on improving that next report card!!

Here is the plan for this week:

MATH: You will continue working on Decimals, Fractions, and Percents. You should be getting pretty good at converting any of the three into any other! We will begin comparing all three and ordering them from least to greatest or greatest to least.

READING/ENGLISH/SPELLING: You will continue editing sentences, adding spelling words to Set #8, and reading your TFK magazine. We will read "Holes" whenever we are all in class! Hopefully, we will have no absences this week!

Religion: Joseph, the loyal Son with Ms. Rosie!

Love you like a Grandma, Mrs. Yazvac 

Upcoming Events: *new items highlighted in yellow!*

Tuesday, March 22 - Report Cards home

Monday, March 28 - WVU Mountaineer Visits -in the morning Dress Down
