

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of March 7 - 11, 2022

My favorite book!!

Greetings, Sixth Graders!

This week doesn't look as busy as the past few! I'm hoping we are able to read several more chapters of "Holes" together and possibly enjoy some tasty treats (or some not so tasty, "treat-like" samples of "Holes" cuisine).

MATH: We are making our way through Chapter 2 and should be able to take any decimal, percent, or fraction and turn that into a decimal, percent, or fraction! If you can already do that, try to think of another way to do the work. I dare you!

READING/ENGLISH/SPELLING: We should have a new TFK magazine this week. You know the drill! Your AR points are due by this Friday! I hope you already have them! (Or, you are at least very, very close!)

We will continue reading Holes! It is getting soooooo good!

Religion: The Pillars of Lent with Ms. Rosie!

Love you like a Grandma, Mrs. Yazvac 

Upcoming Events: *new items highlighted in yellow!*

Thursday, March 10 - Lenten Penance Service

Friday, March 11 - AR points due for 3rd 9 weeks

Tuesday, March 15 - End of 3rd 9 weeks

Tuesday, March 22 - Report Cards home
