

Mrs. Yazvac's 6TH GRADE NEWSLETTER

Week of March 8 - 12 , 2021

Hello Class!

The first 6 people who let me know they have read this *entire* Newsletter will receive a treat and a name in the raffle can. You must read the *ENTIRE* newsletter! Shhhhhh. . . don't tell.

On Monday, we will have a guest speaker who will be talking to us about "Digital Etiquette." I am looking forward to this. Our Zoom link for this presentation is scheduled to begin at 9:30. Boys, we might want to put the flag up earlier in the morning (sometime before prayer) so everyone has time to go to the bathroom before the guest speaker begins.

Here is what I have planned for this week.

Math: We will be working quickly, one lesson per day!!! That's because you already have many of the math tools you will need to succeed in these lessons. We will be practicing operations with decimals and fractions. Most will be very similar to what you have done in the past with whole numbers. We will also have a challenge problem each day that will require you to use those handy-dandy "orders of operations" rules we played with on Friday. Oooooooooooooooooooooo!!!

Not Math: For fun, let's try Sudoku. It looks like math, but it's not.

English/Language Arts: We will continue editing sentences and sharing common errors in our writing. We will begin Spelling Set #10 using words from our Social Studies and Religion textbooks as well as the new Time for Kids magazine.

Remember, I expect you to practice your spelling words daily using Quizlet! You never know when you will have a test (we might not even have 10 terms!!)

We will continue reading Holes. I'm looking forward to those onions!

Social Studies: We will begin learning about World War II. I'd like to watch some more current events news daily (if we can make time!!)

Religion: Lent, We have our "mini Seder" this Friday! We will be preparing for that and practicing our Stations of the Cross presentation.

SCIENCE - Parts of the Cell

Important Dates:

Week of March 12 - 18 Resa VII Sumdog Contest

Friday, March 12 - Mini Seder and early dismissal

Wednesday, March 17 - Saint Patrick's Day
