

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of May 16 - 20, 2022

Field Trips!!!

This is an exciting week, Sixth Graders!

I won't even see you until Wednesday! (I'm not crazy about that, but I know you are all going to have a wonderful adventure in Washington, DC! It's just a 3 hour train ride from where I will be . . .) Have a great time and be ready to wrap up some of our end of the year "work" before your graduation . . . Oh my goodness, that is almost seeming real to me . . .

Anyway, let's look at what I have planned and hope we can get to half of it! We have a couple of "special" activities. They include our Historic Clarksburg Tour and Mexican Cooking Lesson!

MATH: We'll definitely be going over your notes (they are posted on the board) regarding confusing math problems/skills. I will try to give you some time in class to earn more Sumdog skills for extra credit! I hope you have your AR points!

READING/ENGLISH/SPELLING - We need to focus on graduation. Let's paint/decorate those crosses and practice your Google Slides and imovie presentations.

We will take the Spell Set #9 Quiz (Your last spelling test! Yay!) and review "Holes." If anyone who had to leave early has Apple TV, you can watch the rest of the movie at home. I will try to find time to show you what you missed, but I worry about this week becoming too busy with activities popping into our schedule.

I WILL be reading The Three Trees to you sometime this week!!! And, there's that "Kindness Bingo" game . . .

So much to do!!!!

Love you like a Grandma, Mrs. Yazvac
