

Mrs. Yazvac's 6TH GRADE NEWSLETTER

Week of May 17 - 21, 2021

Wow! The PLAY! It was wonderful! Did you see that fantastic performance by the back wheel on Cinderella's carriage? Amazing! (Not!)

I loved, loved, LOVED the show, boys and girls. You all did a great job. I hope you had as much fun performing as everyone had watching you perform!

Congratulations, Miss Mariella, for helping your team win a ***National Championship*** in Florida at the ESPN Wide World of Sports competition! Double Wow!!

Back to earth, now . . .

There are actually less than 2 more full weeks of school! As I have said, more than once, I ***always*** teach right up to the very last minute of the very last day. I realize you may feel like you are "done," but you are NOT! We will continue getting ready for 7th grade! Please be careful to maintain those good conduct grades! Remember, we have work to do. We will do the work at school, or we will finish the work at home for "homework." There should be no need for massive amounts of homework - ever!

Here is what I hope to cover this week. We will probably not have as many schedule changes now that the play is over.

Math: We will continue daily Mind Joggers. This is the best way I know to help you cover as many concepts (new and review) to be ready for your first weeks in 7th grade. Please do not moan or groan. You know who I'm talking to!!

English/Language Arts: Test Spelling Set #14. Read for AR (those 15 points are due this Friday, May 21! Some of you have zero points right now and that makes me sad! It should make you worry.)

Social Studies: CNN10 daily. We will finish our last Lesson in our textbook and turn those textbooks in!!

Religion: We will be reading and discussing Chapter 7 Commandment and Fulfillment

SCIENCE - Something the lovely Mrs. Morris has planned for you.
