

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of May 2- 6, 2022

IT'S MAY!

It's May, Sixth Graders!

We are in the middle of a Sumdog Contest. I hope you have been working on that. You will begin ARK and MAP testing on Thursday and continue through the following Monday. I will prepare some fun, easy, and relaxing after-test activities for you.

MATH: We'll continue practicing all four operations (addition, subtraction, multiplication, and division) with fractions. (Please do not forget to *simplify BEFORE you multiply!!*)

We will also review the concepts we looked at in our homework videos last week. We will continue using formulas to find the area of different polygons.

READING - Monday thru Tuesday: One word, "Holes!" We will sample something else Stanley and Zero consumed to stay alive.

ENGLISH/SPELLING - Monday thru Tuesday: Bio Poem (Is that one or two words?) and your Graduation presentation. Please continue to be thinking about what you want to say in your group Slides project.

Religion: Recognizing God's Power in the Signs and Wonders of Nature

Love you like a Grandma, Mrs. Yazvac
