

Mrs. Yazvac's 6TH GRADE NEWSLETTER

Week of May 24 - 28, 2021

This is it, class, ***the last week of your 6th Grade year!***

On Monday, we will walk to the Robinson Grand Theater to see “Ratatouille.” When we return to school, sometime around lunchtime, we will sample some delicious ratatouille! 🍲 I hope it’s delicious! This is a new recipe for me! I also have some kiwis 🥝 for you to try since so many of you said you have never tasted them! Food, it’s an adventure! 😊

On Tuesday, we will have our “end of the year” good behavior/reward raffle. 🎁

On Wednesday, we either participate in or watch the SMS Variety Show in the Notre Dame gymnasium. Remind me to give Eric something for his “last day of school.” ❤️

Thursday will be your last day of class at Saint Mary’s, and Friday will be your 11:00 graduation at the Clarksburg Amphitheater. That is a busy week! I am sure it will go by very quickly.

Whatever we do as “classwork” during these last few days at school will be as enjoyable as I can make them for you. Please help make them enjoyable for me by maintaining that good behavior I have expected all year. We will be working on some “old school” - no technology - activities that I like to do with my classes before they leave for the summer. We will be turning in our iPads anyway, so we might as well do things the way we did “way back when.” *Thessalonians 5:11* email me *before 7:00 a.m. Monday* to let me know what that verse says and what you think it means. I will talk to the class about this on Monday.

At this point in our weekly newsletter, I list what I hope to cover in each class. For everything, except math, we will be working in our Religion textbooks. I also plan to share some of my favorite activities from my “End of the Year Activities”

folder (30+ years in the making!) Yes, there will be some math involved (sometimes) and learning involved (everytime)!

SCIENCE - Worm Dissection.

Important Dates: Everyday! Have a great summer and an even better 7th grade year!

Love you like a Grandma - ALWAYS, Mrs. Yazvac ❤️❤️❤️

*There is nothing more important than **this** day.*
