

MRS. YAZVAC'S 6TH GRADE NEWSLETTER
Week of November 15 - 19, 2021

Hey there, 6th Grade!

We are soooooo close to Thanksgiving Break! Wheeeeeeee! You know what that means! We have much to do before we take our break. You will be ready for those Tech Assignments. I'm posting Tech Assignments after school on Thursday so you can look at your work and ask me any questions you have on Friday. Hopefully, you can complete your work this weekend or early in the week so the rest of your break is free!

If you haven't turned your Polar Express permission form in, please do that asap! If you have any Christmas gift bags to donate to our Santa Shop, bring them to school asap. (It's worth a "dress down" day on December 13!)

Happy birthday, Stephen!

MATH: We will continue working with Rates, Unit Rates and begin using Ratio Tables. Pay attention to everything we do. You will need to do this work the same way for a quick quiz and for your Tech Day work. You will be ready!

READING/ENGLISH/SPELLING: We will begin working on several new vocabulary words over the coming weeks. They will all have to do with the "Virtues" Miss Lorie has been sharing with us when she teaches during morning prayer.

If there is a TFK magazine we will work on that. I want to be sure to give your groups time to work on your Christmas presentation and your Summer Reading presentation (Like Christmas in July or July in Christmas!)

What's your favorite dish at Thanksgiving Dinner? Write your name, the date, and your favorite Thanksgiving food on a piece of paper and place it into the blue tray before 8:00 a.m on Monday to receive extra credit in Reading class.

Congratulations to our Spelling Bee winners, Ray, Zac, Daniel, Caitlin, and Annagrace. Please be studying for the school Spelling Bee on December 3!

RELIGION: Noah and Covenant

Love you like a Grandma, Mrs. Yazvac
