

Mrs. Yazvac's 6TH GRADE NEWSLETTER - Week of Nov. 30 - Dec. 4, 2020

Hello Sweet Sixth Graders,

I hope everyone enjoyed their 4 day Thanksgiving weekend. I am glad you remembered to read the weekly newsletter! If you are reading this BEFORE I remind you on Monday morning - good for you!

If you have been checking emails and reading the streams in all of your Google Classrooms (as I ask you to do) you will know that ***your class is the RESA VII Sumdog Contest 1st Place Winner!!!*** To celebrate, we will have a “Pizza Party” when we return to school! Several of you have earned extra credit in math class for completing your 1,000 math problems in the contest (way to go Emma, Gail, Jill, Jonah, Madeline, Jake, Kate, and Abby), and additional extra credit for making it onto the top 50 Sumdog Contest Leaderboard. All students in our class were rewarded with 5,000 Sumdog coins! Those should be showing up in your Sumdog account soon!

We are learning remotely this week! Don't forget to find the link for morning prayer in your Google Classroom Homeroom Classwork. Prayer begins at 9:00. Please log in early and use your full name. Attendance in morning prayer counts as a Religion grade.

You will also find your Remote Learning Schedule and Friday “Specials” Schedule in Homeroom Classwork. I will see you online for our morning session beginning at 9:30. You will have short assignments daily that will be due by the 12:30 afternoon session. We will have short lessons in all subjects everyday, but we will focus on Spelling/English/Reading on Monday, Math on Tuesday, Religion on Wednesday and Social Studies on Thursday. You will have online class with your enrichment teachers on Fridays.

*** Please remember to read for AR everyday! Don't wait until the last minute to earn those 15 AR points for your next report card.

See you online on Monday morning!

Stay safe and get some rest! *Love you like a Grandma, Mrs. Yazvac*
