

MRS. YAZVAC'S 6TH GRADE NEWSLETTER
Week of November 8 - 12, 2021

Hey there, 6th Grade!

This is a busy 4 day week! No school on Thursday for Veterans Day. We will begin our Saints presentations 😊 (see the schedule posted to the board), and have our class Spelling Bee. 🐝 And, we will be working on our Prayer Blanket! If some of you get really good at this, Ms. Lorie would like you to help in some of the younger students' rooms.

This is also "Vocations" week. We talked about that a little last week and added the word vocation to our Spelling Set #4. We have some videos to watch, some pictures to color, and of course, some lessons to learn!

Please be sure to check your Gmail, your Google Classroom Stream, your To Do list and your Missing Work (hopefully, you have no missing work) every morning as soon as you get here. Be sure to look at the board to see anything else that might be important or any work you need to do. All of those tasks have been part of our classroom routine since the beginning of this year. It should just be a habit for you now! After all, this is the third week of the 2nd grading period! This year is flying by! Flying by, like me, with a leaf . . . get it? Wheeeeeeeeeee!

Here is what I hope to cover this week:

MATH: We will be working on Ratio Tables in Chapter 1 Lesson 4 (after we wrap up Lesson 3 on Unit Rates). We will review unit rates daily so you will remember how to do this work on your two Tech Days later this month.

READING/ENGLISH/SPELLING: Spelling Bee!

Your Saints presentations and written reports will be part of your English/Language Arts grades this week. You are always reading for AR and taking AR tests (you are, aren't you?! I hope you are!!)

We need to create and print (or email!! or both!!!) invitations to our Christmas in Slovakia presentation. We will work in groups to create a beautiful Google Slides presentation for your families on December 17.

We should be working with our Time for Kids magazine this week (if they release a new issue) and our Studysync book if we have time! It's not looking good on "extra time!" We have some catching up to do!!

RELIGION: Discovery Gifts and Talents/Vocation Awareness

Love you like a Grandma, Mrs. Yazvac
