

6TH GRADE NEWSLETTER - Mrs. Yazvac's awesome class

Week of November 9 - 13, 2020

Hello 6th Graders,

You have a tech day this Wednesday, Veterans Day, November 11. The end of this 9 week grading period is this Thursday. I hope you have all earned your AR points (15 required). Your All Saints Day project is due this Tuesday and we will begin our oral reports on Thursday. You should have already signed up for a date to present. I'm looking forward to hearing what you have discovered about your saints.

MATH: Chapter 1 Lesson 5 - We will be graphing our completed ratio tables on the coordinate plane.

LANGUAGE ARTS: We will be reading the November 13 edition of Time for Kids magazine "The 2020 Election" (already online - so they don't know who the winner is yet. Will we?) TFK has been posting updated articles. They are interesting reads!

SOCIAL STUDIES: We will review reasons the United States entered WWI and begin Chapter 23 Lesson 3 "America Joins the Allies."

RELIGION: Chapter 3 "Covenant and Commitment" - We will begin by discussing how we can be truthful, dependable and committed to our faith.

SCIENCE with Mrs. Morris - Moon reports and presentations

EXTRA CREDIT OPPORTUNITY: If you have read this entire newsletter you will be able to copy and past the red # below and email to me before 9:00 pm on Sunday evening. I would also like you to let me know which class you would like to receive this extra credit.

#EXTRACREDITROCKS!

IMPORTANT DATES TO ADD TO YOUR GOOGLE CALENDAR:

Tuesday 11/10 Morning Prayer for Veteran's Day outside, Saint Project due

Wednesday 11/11 Veteran's Day/Tech Day

Thursday 11/12 End of 1st Quarter (1st 9 weeks Grading Period ends)
