

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of October 12 - 16, 2020

Hello 6th Graders!

We made it through one week of remote learning and this will be our second! Good work, everyone. I'm glad you are reading this newsletter. That is something I would like you to do before each new school week begins! Please remember to join our morning prayer by Zoom daily at 9:00. I will be taking attendance for Religion minutes. Be sure you have already had your breakfast and are in your uniform before our class begins. Bathroom breaks should be taken before and after class if possible.

MATH: Last week we worked on ratios and will continue practicing in Chapter 1 Lesson 2 this week. Remember to pay attention to what you are asked to compare when you solve ratio problems. Don't let that book trick you!

LANGUAGE ARTS: We didn't get to our Close Reader while we were online. We will catch up with that this week. We will also be reading the TFK Financial Literacy supplement "Zoom In" about the money the Zoom video-conferencing company is making during this pandemic. There will be a Google Forms quiz on the Zoom In article. You already have a new TFK magazine and will be taking the TFK Magazine Quiz for a Reading Grade. Pay special attention to the cover story. You will be taking the TFK Cover Story Quiz for a Social Studies grade (because it is about the election!) Remember, you can listen to that one read aloud to you! Please take your time to make your best scores on all TFK Quizzes.

SOCIAL STUDIES: We begin Chapter 23 Lesson 2 "America's Road to War." We will learn about the events that pulled our country into World War I. And, as I said above, the TFK Cover Story Quiz this week will count as a Social Studies grade.

RELIGION: We continue “Sacrifice and Promise” on page 40. This week is all about the Eucharist.

SCIENCE with Mrs. Morris - Pumpkin Drop information coming soon. This Thursday, October 15, will be the day! I hope you turned in your forms!!

IMPORTANT DATES TO ADD TO YOUR GOOGLE CALENDAR:

Thursday 10/15 Pumpkin Drop!

Friday 10/23 Dismissal at 12:15

Tuesday 11/3 Election Day/Tech Day

Wednesday 11/11 Veteran’s Day/Tech Day

Thursday 11/12 End of 1st Quarter (1st 9 weeks Grading Period ends)

****If you were unhappy with your midterm grades,** you have time to turn that around. By now you should have figured out what you need to do to earn that A or B in all of your classes. Conduct grades are never a mystery. Pay attention and do not distract others. I expect exemplary behavior, because . . .

I Love you like a Grandma, Mrs. Yazvac
