

MRS. YAZVAC'S 6TH GRADE NEWSLETTER
Week of October 18 - 22, 2021

Don't drop the pumpkin! Don't drop the pumpkin!
(Do that NEXT week!)

Greetings Sixth Graders!

Well, we will be together on Monday this week and then half of you are going to the WVU Science Adventure Camp. If you go, please pay attention to anything that sounds like "Math!" You will be telling us about your exciting experience when you return (and probably writing to me about your time away, too)!

Those of you who stay will be working on our next lesson in Math. You will learn so much that you will be able to teach your classmates when they return!

READING/ENGLISH/SPELLING: I hope you earned those 15 AR points! They are due this Monday, October 18! For Reading/ELA, we will be working in our Studysync book. There will be a new TFK magazine, but no quiz this time! (Isn't that good news?)

There will be a 3rd Inktober drawing due next week (Science campers will have plenty of time to do this.)

RELIGION: Continue The Christian meaning of Sacrifice
I hope everyone has a GREAT week, wherever you are!!

Love you like a Grandma, Mrs. Yazvac 

Upcoming Events: *new items highlighted in yellow (if there are any)!*

If you had a birthday earlier this school year and I didn't add it to the memo, that is because I didn't have my neat stickers (Thank you, Annagrace!) I will be sure to

add you to the memo at the end of the school year for Summer and Fall birthdays ahead!

Monday - October 18 AR points are due (15 total)

Tuesday - October 19 Happy Birthday, Lillie!

Tuesday - Friday October 19 - 22 WVU Science Adventure Camp

Wednesday - October 20 - End of 1st 9 weeks
