

## MRS. YAZVAC'S 6TH GRADE NEWSLETTER

Week of October 19 - 23, 2020

### Hello 6th Graders!

We made it through another week of remote learning. I hope you enjoyed your enrichment classes on Friday. I also hope you are getting into the habit of reading this newsletter before the new week begins. You should be using the much easier link to morning prayer that you will find in your Google Homeroom Classwork. Please remember to join our morning prayer by Zoom daily at 9:00. We are taking attendance for Religion minutes. Be sure you have already had your breakfast, taken a bathroom break and are in your uniform before our morning class begins. Be sure to rename yourself for the Zoom if you need to. Last week, some of you earned another name in the drawing for doing that correctly.

**MATH:** Last This week we continued working with ratios and equivalent ratios (also known as proportions) in Chapter 1 Lessons 2 and 3. Always pay attention to what you are asked to compare. When you set up proportions, be sure to keep the tops and bottoms of your ratios consistent. If we are working with miles per hour, miles stays on the top and hours stay on the bottom throughout the whole problem.

**LANGUAGE ARTS:** We will be working in our Close Reader pg. 53 - 60 "On the Titanic, Defined by What They Wore." We will also be reading the October 23 edition of Time for Kids magazine.

**SOCIAL STUDIES:** We continue reading and discussing the events that led the United States to enter World War I in Chapter 23 Lesson 2 "America's Road to War."

**RELIGION:** We continue "Sacrifice and Promise" on page 44. This story will pull on your heartstrings . . .

**SCIENCE with Mrs. Morris - Halloween Science! If we're in the building we will be making slime and candy corn boats :) If we are online - stay tuned!**

***IMPORTANT DATES TO ADD TO YOUR GOOGLE CALENDAR:***

Friday 10/23 Dismissal at 12:15

Tuesday 11/3 Election Day/Tech Day

Wednesday 11/11 Veteran's Day/Tech Day

Thursday 11/12 End of 1st Quarter (1st 9 weeks Grading Period ends)

**\*\*If you were unhappy with your midterm grades,** you have time to turn that around. By now you should have figured out what you need to do to earn that A or B in all of your classes. Conduct grades are never a mystery. Pay attention and do not distract others. I expect exemplary behavior, because . . .

*I Love you like a Grandma, Mrs. Yazvac*
